

Camp Keyspot 2015 Super Stations

What are Super Stations?

Super Stations are for 2nd – 5th graders. Super Stations are super-cool, awesome, fantastic, marvelous, incredible (and any other kind of superlative you want to add) stations that you and your camper will be able to choose. They can stick with one or two for the summer or they can try them all. It's their choice. This much is true; your child will have a great time with whichever one they choose...because they're all SUPER! (sorry I couldn't help myself)

How Do I Choose A Super Station?

- Register for Camp Keyspot
- An email will be sent to you so you may pick your Super Stations for the summer. (Hint – Some of the Super Stations will fill up) Emails will be sent when your Registration Packet and Payment is received.
- Teachers will have a roster for each Super Station each day
