

Camp Keyspot 2014

Super Stations

What are Super Stations?

– *Super Stations are super-cool, awesome, fantastic, marvelous, incredible (and any other kind of superlative you want to add) stations that your child will be able to choose from in the mornings at Camp Keyspot. They can stick with one or two for the summer or they can try them all. It's their choice. This much is true; your child will have a great time with whichever one they choose...because they're all SUPER!(sorry I couldn't help myself)*

Monday & Wednesday – 9:30am – 11:15am

- ***Big Bang Science Gang***
 - Your camper will have a blast with creative, fun and exciting science projects. Your camper will tell you all about the fun they had with this Super Station. Just do us a favor and try not to mention that it's also educational...we wouldn't want the kids getting the wrong ideas!
- ***Artsy Schmartsy***
 - Your young artist will be able to “get their Art on” with this Super Station. Different mediums and projects to draw out your child's creative side. Craft projects will also be thrown in for good measure!
- ***Sports Fanatic***
 - Great for your camper/athlete. Some sports on the agenda are deck hockey, homerun derbies, flag football, ultimate Frisbee, punt pass and kick competitions and much more.

Tuesday 9:30am – 11:15am

- ***Iron Chef Keyspot***
 - Fun and delicious at the same time, your camper will cook different recipes from different cultures as well as those ‘Just like mom’ recipes.
- ***Dig It***
 - Your little green thumb will help plant, maintain, and decorate the Keyspot garden. Your child will enjoy watching their plants grow and will love harvest time when they will literally “enjoy the fruits of their labor”.
- ***Sports Fanatic***
 - Great for your camper/athlete. Some sports on the agenda are deck hockey, homerun derbies, flag football, ultimate Frisbee, punt pass and kick competitions and much more.

Friday 9:30am – 11:15am

- ***Creek Walk***
 - Check out what Downtown Walnut Creek has to offer. This Super Station will explore all the fun things to do in Walnut Creek. The Library, Civic Park, tour restaurants and shops, and many more. Great way to explore our great city.
